Welcome Friends,

I am pleased to welcome you to Jennifer's Dance Academy's annual Recital entitled, "INSPIRED."

Our dancers have worked extremely hard all year long learning new and exciting dances to share with you this evening.

I would be remiss if I didn't take a moment to thank all of those who make tonight possible. Without the volunteers – back stage, those assisting with sound and lighting, and those who have helped book, prepare, and execute this event – none of this would be possible. I am so honored to work with truly amazing people.

Over the course of the evening you're going to see multiple styles of dance from all age groups at Jennifer's Dance Academy. You're also going to hear music spanning across multiple decades. Some of it I grew up listening to, while other music selections were released in more recent years.

Nevertheless, I hope you appreciate the broad selection of dances and music these children and young adult have been exposed to.

Our hope is that no matter your age, at least one performance tonight resonates with you in some way.

Thank you again for joining us this evening, and I hope you leave feeling, "INSPIRED."

SENIOR MESSAGES

Kaylee,

Your daddy and I are so very proud of the beautiful young woman you have become. You are truly an inspiration to everyone you come in contact with. Always remember to keep your eyes on the Lord, keep your head up and always chase your dreams. You can do anything you set your mind to. Always remember we Love you to the Moon and back! Stay strong and never give up on your many dreams! As our favorite bible verse says, "I can do all things through Christ who strengthens me." Philippians 4:16

"If you don't like the road you're walking, start paving another one. "
Dolly Parton

- Mom & Dad

Hope,

You are our Hopedilicious, our Sunshine, and our Hopenesters. You bring the light of Jesus and a smile to everyone you encounter everywhere you go. We are so excited to see what is in store for you in the future as you dance into this next season of life. We love you to the moon and back!!

Love - Dad, Mom, Joshua, Chloe, Maxxon, Abbagail, Blaize, and Isaac

Madison,

From the time you could smile you would light up the whole room. Seeing how happy you were at your first dance recital we knew there would be many more to come. In our eyes a star was born. Every time you dance you light up the entire stage. Watching you dance on stage over the years has brought us so much joy. When one dance year would come to an end, you would always ask how many more weeks before dance class starts again. Well baby girl, I am sad to say this is your final recital, but I hope you always DANCE! We are so proud of the amazing young lady you have become. We have enjoyed watching you grow up over the past 18 years and feel blessed to be your parents. Though we have to let go and watch you tackle the next chapter of your life, remember we will always be here for you. We will always be your biggest fans. Remember to put God first in your life. We love you to the moon and back!
